Treat Your Laundry Right with the GE GTW485ASJWS Top-Load Washing Machine

The GE GTW485ASJWS 4.2 cu. ft. White Top-Load Washer makes it easy to get tough laundry nice and clean. From bulky bedding to small loads of wispy delicates, this GE washer was designed to deliver tough cleaning power while still being gentle on your fabrics. Pre-set cycles and cycle options make it easy to just toss in a load and go while the Stain PreTreat and Soil Level selection takes the toil out of treating stains and getting your laundry back to being bright and clean. From heavy denim to a basic load of laundry, this GE top-load washer has the versatility to get your laundry clean, clean, clean.

Load in Lots of Laundry

This GE top-load washer has a generous 4.2 cu. ft. of wash capacity, perfect for loading in just about any size load, from a light load of delicates to a hefty load of jeans. No more trips to the laundromat to use an extra-large washer.

Takes Care of Tough Stains

From dirt to wine stains, this GE washer has the power to tackle stains and soils. Use the Stain PreTreat and Auto Soak options to deep treat stains with concentrated cleaning and extra soaking time, all handled by the washer. Blood, tomato sauce, grass and wine are no match for

this GE washer. Select one of 4 soil levels for simpler loads that don't need stain treatment for hassle-free cleaning.

A Cycle for Every Load

Choose from 13 different pre-set cycles and 5 cycle options, or customize your own cycle using the touch-button controls for seriously clean laundry. Use the Bulky cycle for comforters and winter clothing, or just toss in a hamper-full on the Normal cycle and let the washer handle the rest.

Laundry Done Your Way

Need a small load washed before work? Want to make sure that all of the suds are rinsed out of those jeans? Want a specific water temperature? This washer lets you customize each load or set fabrics on a pre-set cycle so you can spend less time trying to figure out how to get the laundry done and more time enjoying your day.
